

AED Availability

We have had some calls complaining about getting automated calls in the middle of the night. There is an ability to limit your calls from the AED Link software at dispatch. We currently have all of the AEDs designated as **Public**. However, you have two options:

●Public: Available to be used both at this site and at nearby offsite locations

By making your AED **Public**, you will be enhancing your community's ability to respond to a victim of Sudden Cardiac Arrest. Time is the most critical variable in cardiac arrest survival. You, or your company, have already recognized that by purchasing the AED.

If a cardiac arrest occurs within 1,200 feet of your location, the AED Link software will be able to identify your location and call or text to ask you, or a designee, to bring the AED to help save a life.

●Private: Available to be used at this site only

If you designate your AED **Private**, your AED will not be summoned by 9-1-1 in the event there is a cardiac arrest anywhere but at your location. This is NOT our preferred way to handle the AEDs.

It is way too labor intensive for us to contact each of you, so if you want to change your availability, please let us know at register@heartsafelplata.org. We can also modify your schedule of availability (see below)

AED Availability Schedules

If you want your AEDs to be available outside your facility but want to limit the

times you are available, we have the following options:

Schedule Type

- Available 24 x 7
- Simple Schedule

AED is available from <time1> to <time2> on <day1> through <day2>
For example, AED is available from 8:00 a.m. to 5:00 p.m. on Monday through Friday.

●Fully Customizable Schedule

Sunday <time1> to <time2> or not available

Monday <time1> to <time2> or not available

Tuesday <time1> to <time2> or not available

Wednesday <time1> to <time2> or not available

Thursday <time1> to <time2> or not available

Friday <time1> to <time2> or not available

Saturday <time1> to <time2> or not available

Currently all of the AEDs are listed as available 24 x 7. If you want to change your availability, please send your schedule to us at register@heartsafelplata.org. Rather than going to **Private**, we would much prefer you limit your schedule.
